Re: Consideration of awarding the Security Wall at Public Works Compound (Bid No. 23-B-018) to PSG Concrete & Excavation, LLC in the amount of \$72,100 as budgeted within the current fiscal year.

Date: January 3, 2024

The City Council approved the 2023-2024 budget in September, 2023. One of the Capital Improvement projects within the adopted budget was a Security Wall at the Public Works Compound at 1770 S. Segrave Street.

In December, staff requested bids for the project. Proposals were received until Wednesday, January 3, 2024, at which time the submitted bids were publicly opened in the City Council Chamber Room located inside City Hall.

Two bids were received from Clifford L. Shover Builder, Inc in the amount of \$90,962 and PSG Concrete & Excavation, LLC in the amount of \$72,100.

Based upon staff's review, staff recommends awarding the Security Wall at Public Works Compound (Bid No. 23-B-018) to PSG Concrete & Excavation, LLC in the amount of \$72,100 as budgeted within the current fiscal year.
