MEMORANDUM

To: James L. Gillis Jr., City Manager
From: Becky Witte, Deputy City Clerk
Re: Consideration of approving an addendum to the agreements with American In Line Inspections Inc and Atlantic Pipe Service LLC (Sewer Rehabilitation Services Project - Bid No. 23-B-005) to include pricing for Storm Pipe Lining, Cleaning and Pressure Grouting on an as needed basis within budgeted allocations per fiscal year.
Date: May 30, 2023

In April, the City Council approved awarding the Sewer Rehabilitation Services Bid (Bid No. 23-B-005) to both American In-Line Inspection, Inc and Atlantic Pipe Services LLC. After realizing a need for stormwater pipe lining and having several discussions with both awarded companies, staff asked for pricing to extend their services to Stormwater Pipe Lining, Cleaning and Pressure Grouting on an as needed basis, which is a comparable but less expensive service.

The companies submitted prices and staff requests the Council approved addendums to the agreements with American In Line Inspections Inc and Atlantic Pipe Service LLC (Sewer Rehabilitation Services Project - Bid No. 23-B-005) to include pricing for Stormwater Pipe Lining, Cleaning and Pressure Grouting on an as needed basis within budgeted allocations per fiscal year.
