Memorandum

To: James L. Gillis Jr., City Manager

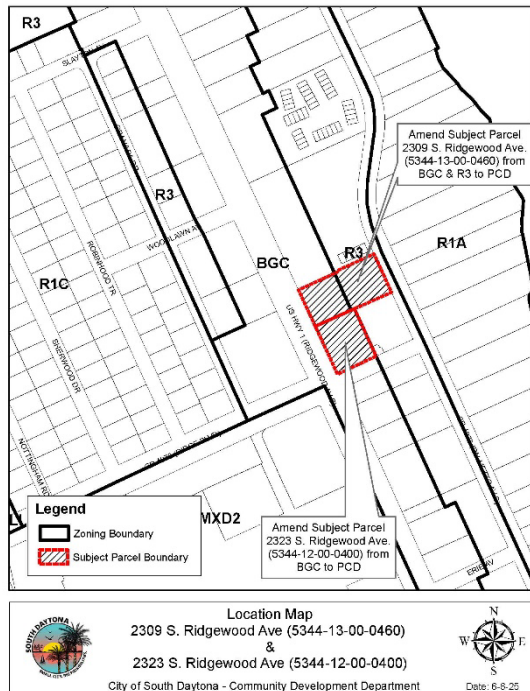

From: Becky Witte, Deputy City Clerk
Josh McEnany, Economic Development Director

Date: July 9, 2025

Re: Consideration of approving Ordinance No. 2025-14, rezoning 2323 South Ridgewood Avenue from Business General Commercial (BGC) to Planned Commercial Development (PCD) and 2309 S. Ridgewood Avenue from Business General Commercial (BGC) and Multiple-Family Residential (R3), to Planned Commercial Development (PCD).

To uphold the City of South Daytona's commitment to maintaining exceptional development standards, the property owners at 2323 South Ridgewood Avenue and 2309 South Ridgewood Avenue have submitted a request to rezone the property. The rezoning application proposes to change the +/- 1.5 acre parcels to Planned Commercial Development (PCD).

After rezoning, staff will work with a developer to create a separate Development Agreement which will be presented to the Planning Advisory Board and the City Council at a later date. The Development Agreement will set forth specific site plan characteristics for the PCD geared towards quality development.

Background: The City of South Daytona is dedicated to furthering top-tier development within our US1 Overlay district, prioritizing higher standards. As part of our strategic approach, staff engage in rezoning of specific properties, a key tool in aligning with this objective. The Economic Development staff is committed to encouraging high-quality business migration to our overlay district. This helps the city control future development and ensure quality businesses become part of our commercial corridor. Such use and development agreements would be approved by the City Council at a later date.

Staff recommends the Planning Advisory Board recommend the City Council approve an Ordinance to rezone 2323 and 2309 South Ridgewood from Business General Commercial (BGC) and Multiple-Family Residential (R3) to Planned Commercial Development (PCD).

The Planning Advisory Board recommended that the City Council approve No. Ordinance 2025-14 on July 9, 2025.
