

South Daytona Stormwater System Improvement Update

The City is committed to enhancing its stormwater system to better manage flooding events, such as those caused by Hurricanes Ian and Milton.

We will be providing updates to our residents via Facebook and on our website to keep you informed of our progress. We have both large and small-scale improvement projects that we will be completing in our residential neighborhoods so stay tuned.

South Daytona Stormwater System Improvement Update January 2, 2026

Public Works crews completed a backflow preventer inspection and cleaning in Reed Canal, helping improve drainage and protect the Hammock Lakes neighborhood. This proactive maintenance supports our ongoing efforts to reduce flooding and keep our stormwater system functioning effectively.
