### MEMORANDUM

**To:** Jason Oliva, Finance Director  
James L. Gillis Jr., City Manager

**From:** Brian Peek, Public Works Director *BP*

**Re:** Notice of Intent to Purchase Vehicles

**Date:** December 22, 2020

### AGENDA ITEM

# D 11 DATE 1/12/2021

For the Fiscal Year of 2020-2021, Public Works requested two (2) trucks for use in Facility and Grounds and a crane truck for use in Pump Station Maintenance. These items were approved in the budget under the following account numbers, names, and amounts:

Account Number	Name	Amount
01572-60642	Vehicle Replacement	
	F&G Maintenance Truck	\$25,000.00
	F&G Utility Body Truck	\$32,000.00
40536-60642	Vehicle Replacement	
	Service Crane Truck for Pump Service	\$74,000.00
<i>Total Budgeted Cost of Vehicle Replacements:</i>		<i>\$131,000.00</i>

A renegotiation of the Sheriffs' contract from which these values were originally derived resulted in slightly higher costs than expected. After discussion with the fleet supervisor and the effected supervisors, the following trucks were agreed upon, saving money on one group (without compromising need) and spending more on the other:

Name	Qty.	Item Cost	Line Cost
F&G Maintenance Truck	2	\$26,951.00	\$53,902.00
Service Crane Truck for Pump Service	1	\$78,623.00	\$78,623.00
<i>Actual Cost of Vehicle Replacements:</i>			<i>\$132,525.00</i>

Both quotes for these items are attached to this memo for review. The purchase of the trucks will be a great addition to our fleet and improve morale, safety, and efficiency for multiple departments within Public Works.
