MEMORANDUM

To: City Manager and City Council
From: Jay Robinson, Executive Assistant 
Re: South Daytona Community Trust Scholarship
Date: May 11, 2020

This memorandum is to provide data on each South Daytona Community Trust Scholarship Applicant, Angelina Scheuerman, Jesse DeBloom and, Isabella Haddad and assist in the decision as to whom the scholarship should be awarded.

City staff members reviewed the applications. All three applicants show a commitment to their education, to South Daytona and surrounding communities by volunteering their time. All three applicants have been accepted to college/university for their chosen profession and have recommendations from their guidance counselors. The applicants were to provide a 500-word essay describing their volunteer work and how the community benefits from volunteerism. While all applicant's essays were well written, Jesse DeBloom provided more volunteer hours than the other applicants.

Staff felt all three applicants were worthy and deserving of the scholarship. By the slightest of margins and much thought, staff's recommendation would be to award the scholarship to Jesse DeBloom. Ms. DeBloom provided more volunteer hours, over 500 words in her essay and a more complete application packet.
