## SOUTH DAYTONA POLICE DEPARTMENT MEMORANDUM

**TO:** James L. Gillis, Jr., City Manager

**FROM:** Mark J. Cheatham, Chief of Police

**DATE:** October 19, 2021

**SUBJECT:** Consideration of Approving the Purchase of (4) Patrol Vehicles Utilizing the State of Florida's Purchasing Contract

---

---

This 2021-2022 fiscal year, the Police Department budgeted \$206,0000 for a much-needed patrol vehicle replacement plan, at an estimated cost of \$51,500 each. The anticipated purchase price was based on the State Contract for best pricing with an estimated 6% inflation increase factored in. This yearly plan of 4 vehicles is to address a very depreciated police patrol vehicle fleet.

The Police Department has recently acquired the 2022 State Certified Purchasing contract quotes, with Garber Ford presenting the lowest quote of \$44,030 for each patrol vehicle. The three state contract quotes are attached to this memorandum for your review. The total fiscal note for the 4 patrol vehicles is \$176,120.

The Police Department also budgeted 4 updated police radios for each new patrol vehicle at a cost of \$6,200 per radio (\$24,800 total). The anticipated outfitting and delivery of these vehicles should occur by June of 2022, which is in part due to manufacturing delays.

The total combined fiscal note for this purchase is \$200,920 which is slightly under the budgeted amount.

It is the staff's recommendation to move forward with this purchase and continue to incrementally replace our aging patrol fleet.
