MEMORANDUM

AGENDA ITEM

Item # 15

Date: December 14, 2021

To: Jason Oliva, Assistant Finance Director
 James L. Gillis Jr., City Manager

From: Brian Peek, PE, Public Works Director

Re: Notice of Intent to Purchase Vehicles and Equipment

Date: November 30, 2021

For the Fiscal Year of 2021-2022, Public Works requested two (2) trucks for use in Facility and Grounds and two (2) trucks for use in Water Sewer Maintenance. In addition to the trucks, a skid steer was requested in Facilities and Grounds for better management and cleanup of jobsites. These items were approved in the budget under the following account numbers, names, and amounts:

Account Number	Name	Amount
01549-60642	Vehicle Replacement	
	F&G Maintenance Truck	\$30,000.00
	F&G Maintenance Truck	\$35,000.00
40536-60642	Vehicle Replacement	
	Water/Sewer Dump Truck	\$60,000.00
	Water/Sewer Utility Body Truck	\$37,000.00
01549-60643	Equipment Additional	
	Bobcat Skid Steer Loader	\$46,000.00
<i>Total Budgeted Cost of Vehicle/Equipment Replacements:</i>		<i>\$208,000.00</i>

The availability of vehicles has been challenging due to supply chain shortages. The majority of South Daytona’s fleet is currently Ford. For our mechanics knowledge base and parts stock of typical use items, we intended to continue purchasing trucks under this manufacturer. However, the only available dump bodied truck we could find was a Chevrolet. Ford also stopped taking orders on November 12, 2021 for fleet trucks. This left us in a dilemma as the trucks we were quoted could not be purchased through the cooperative purchasing agreement of the Florida Sheriffs contract. Our Fleet Maintenance

Supervisor, Taylor Macaulay immediately called dealers throughout Florida looking for pre-ordered trucks that could be reserved under contract pricing. He succeeded and currently has all four trucks reserved through two different dealers. Unfortunately, the skid steer increased nearly \$8,000 in three months. Although this is a substantial and unexpected increase, we are opting to not purchase a dump trailer that was budgeted in the same account and putting that money towards the skid steer. For the time being the new dump truck can be shared between Facilities and Grounds and Water/Sewer Maintenance. The trucks/equipment, dealers, cooperative purchasing agreements, and costs are as follows:

Truck/Equipment	Dealership	Agreement	Qty.	Line Cost
2022 F-250 Regular Cab 4x2 (w/tommy gate)	Alan Jay	Sourcewell	1	\$32,669.00
2022 F-250 Regular Cab 4x2	Alan Jay	Sourcewell	1	\$29,089.00
2022 Silverado 3500 HD Dump Truck 4x4	Alan Jay	Sourcewell	1	\$46,968.00
2022 F-250 Regular Cab 4x2	Bartow Ford	Charlotte County	1	\$39,089.45
Bobcat Skid Steer Loader	Bobcat of Orlando	Sourcewell	1	\$53,801.17
<i>Total Cost of Vehicle/Equipment Replacements:</i>				\$201,616.62

All quotes for these items are attached to this memo for review. The purchase of this equipment will be a great addition to our fleet and improve morale, safety, and efficiency for multiple departments within Public Works.
