MEMORANDUM

To: The Honorable Mayor and Members of the City Council

From: James L. Gillis, Jr., City Manager

Re: Resolution No. 2022-06 Designating Annual Community-Wide Special Events and Dates

Date: March 1, 2022

On April 14, 2020, the City Council modified the City's regulations of the Land Development Code by creating two classifications of special events. The first classification is site-specific special events for things such as grand opening celebrations. The second classification is community-wide special events such as Bike Week. A commercial property owner can have up to 30 days of site-specific special events. The Special Event regulations provide commercial property owners with more opportunities to showcase their businesses in South Daytona.

Each year at this time, the City Council designates those activities that are to be deemed community-wide special events. Attached to this Memorandum as Exhibit A is Resolution No. 2022-06 which designates which dates and events are to be considered as community-wide for the upcoming year. The list of events and dates are similar to the ones designated in previous years which affords business owners the greatest access to potential customers. Staff recommends approval of the attached Resolution 2022-06.
