MEMORANDUM

To: James L. Gillis, Jr., City Manager

From: Amy Zengotita, CPRP, Parks and Recreation Director

Re: Consideration of approving a Use Agreement with Volusia County Parks, Recreation and Culture Department Summer Camp Program for use of James Street Park Youth Activity Building for operation of Summer Camp from June 6 to August 15, 2022.

Date: April 4, 2022

Volusia County Parks, Recreation and Culture Division has an extensive, Summer Camp program offered at fourteen sites throughout the County and has asked to include South Daytona. Since South Daytona has historically offered a Summer Camp program, staff determined this partnership would be a benefit to our residents and students with enhanced field trips and learning opportunities, as well as scholarship opportunities.

The Volusia County Summer Camp program will operate from our James Street Youth Activity Building for students ages five through thirteen from 7:30am to 5:30pm Monday through Friday and offers two to three field trips per week. Volusia County also offers scholarships through their Community Services Division.

The Summer Camp program offered by Volusia County is virtually identical to the program staffed by South Daytona in the past. The cost to our residents would be the same as well as the hours of operation. Similar field trips have been scheduled to help give this program a South Daytona feel.

Attached to this memorandum is the proposed agreement between the City and Volusia County for the implementation of a Summer Camp program. Staff and our City Attorney have reviewed and approved of the proposed agreement as written. Staff is recommending that the City Council approve the Use Agreement with Volusia County so that they may utilize the James Street Park Youth Activity Building for the operation of a Summer Camp from June 6 to August 15, 2022.

Continuing Commitment to Excellence
