MEMORANDUM

To: James L. Gillis, Jr., City Manager

From: Jason E. Oliva, Finance Director

Re: **Resolution No. 2022-24**, A Resolution of the City Council of the City of South Daytona, Volusia County, Adopting the Final Millage Rate for the Fiscal Year Beginning October 1, 2022 and Ending September 30, 2023; and Providing for Severability; and Providing an Effective Date

Date: September 20, 2022

Issue: The Truth in Millage (TRIM) process informs taxpayers and the public about the legislative process by which local taxing authorities determine ad valorem (property) taxes. When levying a millage, taxing authorities must follow chapter 200 of the Florida Statutes which govern TRIM. State laws require that two formal public hearings be held in September to adopt the millage rate for the upcoming fiscal year, 2022-2023. The City Council adopted a tentative millage rate of 7.75 mills at the tentative public hearing at a meeting on September 12, 2022.

Before the adoption of the final millage rate, the Notice of Proposed Property Taxes, otherwise known as TRIM (Truth in Millage) notice, was prepared and mailed to taxpayers by the Volusia County Property Appraiser. Printed on the TRIM notice was the date of the first scheduled public hearing to adopt the tentative budget and the tentative millage rate which was approved September 13th. The City is required to provide notice of the final hearing with an advertisement containing the summary budget information along with the final millage rate and the final approved budget. This was published Friday, September 23, 2022 in the Daytona Beach News-Journal.

Solution: Resolution No. 2022-24, attached, adopts the final millage rate at 7.75 mills. The proposed budget for fiscal year 2023-2023 is based on this millage rate which is 6.92% higher than the rolled-back rate.

Recommendation: Staff requests council adopt the final millage rate of 7.75 mills.

Result: The City will remain in compliance with TRIM requirements. According to Florida law, failure to meet TRIM requirements will result in loss of revenue sharing for the taxing authority.
