1672 S. Ridgewood Avenue • South Daytona, FL 32121 • 386-322-3025

**MEMORANDUM**

To: James L. Gillis, Jr., City Manager

From: Josh McEnany, Economic Development Director

Date: March 19, 2024

Re: Consideration of approving an expenditure of \$209,467.67 for Spectrum to underground utilities on South Ridgewood Avenue from McDonald Street to Ridge Boulevard as budgeted in Community Redevelopment Area (CRA) Fund Fiscal Year 2023-2024.

---

The second phase of the undergrounding of utilities on South Ridgewood Avenue from McDonald Street to Ridge Boulevard has begun. There are three primary aerial utility providers within this corridor (FPL, AT&T and Spectrum). All three have begun their design to determine the cost of undergrounding their individual utility.

FPL is nearing completion of their design and should provide a cost estimate to the City for consideration within 60 days.

AT&T completed their design and submitted a cost estimate for undergrounding their utility which totaled \$115,972.56. This undergrounding cost was approved by City Council action on November 14, 2023, with work scheduled to begin this summer.

Spectrum has now completed their design and provided the enclosed quotation in the amount of \$209,467.67 for City Council consideration. Based on their design, staff has determined that the quote provided for construction is reasonable and necessary to complete the second phase of this project.

Therefore, staff recommends the City Council approve the expenditure of \$209,467.67 for Spectrum to underground their utilities on South Ridgewood Avenue from McDonald Street to Ridge Boulevard as budgeted in Community Redevelopment Area (CRA) Fund Fiscal Year 2023-2024. If approved, construction is expected to begin in the summer and be completed by the end of the calendar year in December.
