### Parks and Recreation Department

Post Office Box 214960 • South Daytona, FL 32121 • 386/322 -3070 • FAX 386/322-3079

#### Memorandum

To: James L. Gillis Jr., City Manager

From: S. Laureen Kornel, Community Development Director

Date: November 10, 2020

Re: Planning & Appeals Board Member Appointment

#### **AGENDA ITEM**

# D12 DATE 11/10/20

Upon being elected as Council Member, Chairperson Eric Sander resigned from the Planning and Appeals Board (PAB) effective October 22, 2020. Since that time, the City has received two applications to fill the vacant PAB seat. Staff has thoroughly reviewed the applications received for completeness and content, paying attention to the applicant's past involvement in their community and desire to be on the PAB. The individual applications are attached as Exhibit A for record keeping purposes.

Based on the review of the applications, staff recommends the City Council appoint **Mr. Rick Jackson** to the PAB. All applicants not chosen for the board appointment shall be kept for future use as openings in this or other boards become available.

**CITY OF SOUTH DAYTONA  
ADVISORY BOARDS  
VOLUNTEER APPLICATIONS**

Thank you for your interest in serving the City of South Daytona. Your completion of this application is necessary so that the members of the City Council can thoroughly review each application as part of their consideration for the appointment. You are welcome to attach a resume' with the application.

Please choose the Board for which you wish to apply and then fill in the required information about yourself that demonstrates your desire to serve. These boards help shape the City of South Daytona for future generations and we sincerely thank each individual who is willing to serve.

### EXPERIENCE

#### Siemens Energy

Plant Optimization Center Manager 10/2005 to 12/2014

Reporting National and International outage status to senior management.

Project Manager 9/1999 to 10/2005

Managing long-term maintenance programs for combined cycle turbines.

#### United Space Alliance/Lockheed Martin Space Operations/LSOC

Vehicle Operations Chief/Project Manager (Thermal Protection System) 3/1990-2/1998

Responsibilities include but are not limited to managing the overall planning and integration of all Thermal Protection System Operations (TPS) from landing to launch for Space Shuttle Alliance. The TPS system makes up for 35% of the overall orbiter processing budget. Provide leadership and direction to technicians, engineering and logistics management in support of schedule requirements. Assist Flow Managers and NASA Flow Directors in scheduling decisions and offer realtime suggestions to minimize potential impacts. Establish task readiness criteria to minimize costs and reduce manpower.

Oribitor/Thermal Protection System Planner 11/1988 to 3/1990

Responsible for developing plans to configure the mid-body and aft sections of the space shuttle for flight. The planner function requires a strong mechanical and electrical knowledge of engineering systems and requirements. Position required establishing a working relationship with engineering, shop, quality, logistics and the customer.

Operations Supervisor 4/1984 to 11/1988

Responsible for overseeing (15) technicians performing maintenance operations on the shuttle. Plan and coordinate technical, engineering and quality efforts. Plan and coordinate the accomplishment of shuttle maintenance work involving 2500 Work Authorizing Documents (WADS) per flow. Other responsibilities included technician training and general supervision.

---

### **Rockwell International**

GSE (Ground Support Equipment) Supervisor 11/1983 to 4/1984

Supervisor for Orbiter Processing Facility GSE Operations. Schedule, plan and implement operations maintenance for OPF GSE. GSE supervisor during validation of new orbiter processing facility.

Thermal Protection Supervisor 7/1979 to 11/1983

Supervise, train and assign technicians to perform in complex Thermal Protection System operation.

Electrical Technician - GSE Pad Operations 2/1979 to 7/1979

### **Electrical Contractor Experience (Journeyman Electrician)**

Various Contractors 1967 to 1979

Olsen Electrical, E.C. Earnst Electrical Contractors, Carter Electrical, Bechtel General Contractors, Exxon Oil Refinery and W.R. Grace Co. Functions include planned layout scheduling and completing all facets of electrical trades, including most types of commercial, residential and industrial work.

### **Military Experience**

United States Naval Reserve 1965 to 1967

Radioman - Honorable Discharge - E-4 Rating

### **Specific Training**

Kepner Trago - problem and decision analysis workshop

Certified Facilitator for Continuous Improvement Process - Tennessee Associates

### **EDUCATION**

Completed four year course at Daytona Beach Joint Electrical Apprenticeship School

### **AWARDS AND HONORS**

Astronauts Silver Snoopy

Space Flight Awareness Award for Process Integration

NASA Launch Director Recognition for excellence - Shuttle Flight STS-37
