Memorandum

To: James L. Gillis Jr., City Manager

From: Amy Zengotita, Parks and Recreation Director

Date: October 20, 2020

Re: Parks, Recreation, and ADA Advisory Board Member Appointment

AGENDA ITEM
D13 DATE 11/10/20

Mr. Rick Jackson was appointed to the Parks, Recreation, and ADA Advisory Board in June of 2020 for a two-year term. On the current agenda, Council is considering his request to be placed on the Planning and Appeals Board in the vacant position, which approved would leave a vacant seat on the Parks, Recreation, and ADA Advisory Board. In May 2020, Staff received nine applicants for the Board. Staff has thoroughly reviewed the applications received for completeness and content, paying attention to the applicant's past involvement in their community and desire to be on the newly formed board. The individual applications are attached for record keeping purposes.

Based on the review of the two remaining applicants that were not placed on the Board, staff is recommending that Mrs. Carol Jackson be placed on the board as she was in attendance at our first meeting on October 15th displaying her commitment to serving on the Board. The two current alternates were not in attendance.

The application of Mr. Curtis Ransom, who was not chosen for board appointment, will be kept for future use as openings in this or other boards become available.

CAROL JACKSON

**CITY OF SOUTH DAYTONA
ADVISORY BOARDS
VOLUNTEER APPLICATIONS**

Thank you for your interest in serving the City of South Daytona. Your completion of this application is necessary so that the members of the City Council can thoroughly review each application as part of their consideration for the appointment. You are welcome to attach a resume' with the application.

Please choose the Board for which you wish to apply and then fill in the required information about yourself that demonstrates your desire to serve. These boards help shape the City of South Daytona for future generations and we sincerely thank each individual who is willing to serve.
