Re: Consideration of Approving 2021 Ford F-150

Date: January 7, 2021

AGENDA ITEM

D12 DATE 1/12/2021

This fiscal year, the Permits and Inspections Fund budgeted for a new building inspector's truck at a cost of \$22,085. The anticipated purchase price was based on the Florida Sheriff's Association Light Vehicle Contract. Necessary upgrades to the truck included upgrading the wheelbase to an 8-foot bed to accommodate a ladder, a spray in bed liner, hard cover tonneau cover to secure items, and 4 corner LED lights. The total purchase price is \$25,509.

It should be noted, 100% of the vehicle cost is paid from permit fees generated in the permits and inspections fund. The additional \$3,424 needed for the purchase will be funded by additional permit fees received in the current fiscal year.

Staff is requesting approval from the Council to document adherence to policies and procedures.
