MEMORANDUM

To: James L. Gillis, Jr. City Manager
From: Patty Rippey, AICP, Redevelopment Director
Date: December 28, 2021
Re: Second and Final Reading of Ordinance 2021-13: CRA District Overlay - Adding Prohibited Use of Storage Facilities

This is the Second and Final Reading of Ordinance 2021-13. The Ordinance was recommended to the City Council by the Planning and Appeals Board on 11/17/2021. The City Council approved the first reading on December 14, 2021.

BACKGROUND: The City Council created a Community Redevelopment Area (CRA) in 1996 and adopted a redevelopment plan in 1997 for selected areas of the City that urgently needed redevelopment. In 2008, the City Council approved a *community redevelopment district overlay* to provide for the application of specific regulations modifying the underlying zoning regulations within the CRA. The addition of prohibited uses specific only to the CRA fosters quality development in accordance with the vision of the CRA.

ANALYSIS: To further support redevelopment efforts, staff recommends adding storage facilities, including mini warehouses, as a prohibited use in the CRA. Prohibiting storage facilities in the CRA promotes the vision of the City Council, the City's Comprehensive Plan, and the CRA Master Redevelopment Plan by reducing unsightly property conditions and uses that threaten to depreciate the value of surrounding property thereby, limiting redevelopment efforts. The desire of the City Council is to encourage and incentivize targeted businesses to locate in the CRA along the U.S.1 corridor. Targeted businesses include professional offices, sit-down restaurants, and quality high-end residential development with amenities to highlight our riverfront location.

The amendment is proposed as follows:

ARTICLE V. – ZONING REGULATIONS, Sec. 5.5. Schedule of zoning district regulations, S. Community redevelopment district overlay.

3. *Permitted uses:* Permitted uses within the community redevelopment district overlay shall be the same as the underlying zoning classification except the following uses shall be prohibited within the overlay district. Any prohibited uses currently established within

the community redevelopment district overlay shall be subject to the nonconforming use provisions 3.13. C. of this Code.

o. Storage facilities. Storage facilities include all commercial storage structures, constructed for the purpose of storage for personal or commercial goods and equipment, for rent to the general public or to commercial businesses, including mini warehouses.

RECOMMENDATION: Staff recommends **APPROVAL** of the Second and Final Reading of Ordinance 2021-13, to amend Article V, Zoning Regulations, Section 5.5, Schedule of Zoning District Regulations, as specified in ~~strikethrough~~ and underline in the analysis of this report.
