Re: Ordinance No. 2022-04: Rezoning 2900 South Ridgewood Avenue (CEMEX), Stormwater Retention Pond, Parcel 5333-00-00-0100

INTRODUCTION: This is an amendment changing the existing zoning of 2900 S. Ridgewood Avenue, (CEMEX), stormwater retention pond, parcel 5333-00-00-0100, consisting of 7.8 acres from Light Industrial to Planned Use Development (PUD).

BACKGROUND: The subject site is owned by CEMEX Construction Materials Florida, LLC, and is under contract for purchase and development by Middle Street Partners. This site served for many years as part of a concrete manufacturing facility. It was developed in the 1950's with its peak concrete manufacturing in the 1970s – 1990s. By the early 2000's, the facility was no longer in active operation and became a blighted property. Most recently, the facility has been used as truck maintenance and storage for CEMEX.

ANALYSIS AND CONCLUSION: Ordinance 2022-04 supports future redevelopment that will be consistent with the guiding policies of the CRA Redevelopment Master Plan, Section 3.2 K of the Land Development Code, and the City's Comprehensive Plan. The proposed PUD zoning will allow for the property to be utilized as the stormwater retention facility for the redevelopment of a residential use on adjacent parcels that will be combined into one parcel upon completion of rezoning. This change will facilitate the utilization and productivity of the property.

The Planning and Appeals Board unanimously recommended approval of this item at the regularly scheduled April 28, 2022, meeting.

RECOMMENDATION: Staff recommends that the City Council **APPROVE** Ordinance 2022-04 enacting an amendment to the official zoning map for 2900 S. Ridgewood Avenue, (CEMEX), Stormwater Retention Pond, parcel 5333-00-00-0100 changing the zoning from Light Industrial to Planned Use Development.
