### MEMORANDUM

To: James L. Gillis Jr., City Manager

From: Becky Witte, Deputy City Clerk

Re: **Consideration of the First Reading of Ordinance No. 2022-10** amending Article 10, Offenses and Miscellaneous Provisions, Section 10-13 of the South Daytona Code of Ordinances related to the sale and use of fireworks within the City.

Date: July 8, 2022

Florida Statute Chapter 791 (Sale of Fireworks) regulates the sale and use of fireworks. In 2020, Governor DeSantis established New Year's Eve, New Year's Day and the 4<sup>th</sup> of July as designated holidays to allow for the use of fireworks.

Following the recent 4<sup>th</sup> of July holiday, our Police Department noted that several streets were impassable due to large firework displays being set off right in the road. There were also complaints about fireworks being set off late at night and into the morning.

Regulations need to be set whereby those wishing to celebrate the holiday with fireworks can do so without inadvertently causing unintentional harm and stress on others. The roads need to be open at all times to allow first responders unimpeded access due to the inherent dangers present when setting off fireworks. In addition, there needs to be a cut-off time to respect your neighbor's right to peace and quiet at bedtime.

As a result of the numerous complaints that we have received, staff is recommending that the City Council establish regulations on the use of fireworks so that all can enjoy these holidays that mean so much to each and every one of us.

The regulations being proposed are as follows:

1. It shall be unlawful for any person, firm, partnership, corporation, or business entity of any other type to offer for sale or display or to use or explode any fireworks within the City of South Daytona except as provided in Florida Statute Chapter 791.
2. It shall be unlawful to discharge any fireworks or sparklers in public rights-of-way, streets, parks, or other public properties.
3. It shall be unlawful for any person to throw, cast or propel fireworks of any kind in the direction of or into the path of any person or group of persons, or from, in the direction of or into any vehicle of any kind.
4. When permitted, noise from firework activity must conclude at 11:00pm and all debris from fireworks or sparklers must be collected immediately, placed in a solid waste container and placed for pick-up on the next available waste collection day.

The proposed Ordinance attached to this memorandum will incorporate these four regulations under Section 10 (Offenses and Miscellaneous Provisions) of the City's Code of Ordinances. Staff recommends the City Council approve the First Reading of Ordinance No. 2022-10 regarding the regulation of fireworks in the City of South Daytona.
