

MEMORANDUM

To: James L. Gillis Jr., City Manager
From: Becky Witte, Deputy City Clerk
Re: Consideration of approving Volusia County's plan to disburse Justice Assistance Grant (JAG) Funds they acquired to programs provided by SMA Healthcare and The House Next Door
Date: July 26, 2022

The Edward Byrne Memorial Justice Assistance Grant (JAG) provides funds to local and tribal units of government as well as state criminal justice agencies with the goal of improving the criminal justice system. The program provides an allocation directly to each of Florida's 67 counties and the counties then decide how the funds will be spend on eligible program activities.

The JAG program focuses on providing funding to municipalities to improve the criminal justice system through one or more purpose areas. This includes, but is not limited to, programs focused on law enforcement, prosecution/court, prevention/education, drug treatment and enforcement programs. The County of Volusia is recommending the funds be allocated to the non-profits SMA Healthcare, Inc. and the House Next Door, Inc.

Volusia County's allocation for FY 2021 is \$139,627. SMA Healthcare's award amount would be \$105,522 and The House Next Door's award amount would be \$34,105 which equates to the total allocation of \$139,627.

Grant regulations require approval of the funding distribution by the majority of all local governments within the county. Volusia County has asked if the City would approve of their plan. If so, the Mayor is required to sign an approval letter that Volusia County has provided. This approval letter has been attached as Exhibit A to this memorandum and will be executed by the Mayor if the City Council approves.
