

The Insider

OFFICIAL NEWSLETTER OF THE
CITY OF SOUTH DAYTONA

MESSAGE FROM THE MAYOR

It's Summer! Of course, that also means we are now in Hurricane Season. Review your plans, check your supplies, and stay alert. Make sure you have a 3-7 day supply of food, water, and medications. Have your generator maintained and be careful storing extra fuel in containers. Listen to the weather news crews. Review County and City Official websites

for updates. Remember to include an evacuation plan for you and your pets too. The City has spent the winter and spring months making sure all canals are cleared of any debris and blockages, stormwater ponds are in good condition and all pumps are operating as designed. We are prepared and mindful of the events that hit this entire area late last year and are dedicated to the well-being of our residents.

As we approach the 4th of July holiday celebration, it is important to note that State Law allows for the use of fireworks on this day. We ask that those who are passionate about celebrating this great holiday with firework displays be mindful of those with pets and our Veterans who may be easily frightened by the sounds. Please keep in mind that it is unlawful to discharge fireworks in streets or public parks.

This is to ensure that our roadways are open to the travelling public and emergency response vehicles in addition to limiting potential damage to our public park system.

All fireworks must be concluded by midnight, in accordance with State Law, to ensure the noise level in our neighborhoods is restored to a proper volume. The City's Police Department will be conducting extra patrols on this night to ensure everyone is celebrating responsibly. And finally, please pick up the debris left behind by your displays and properly containerize it for collection by our solid waste contractor, Waste Pro, on your next regularly scheduled day. Be safe and enjoy the holiday!

As our spring baseball season comes to a close, our summer soccer program is in full swing. We look forward to the kick-off of our fall sports programs and City special events that will be scheduled in our beautiful parks including several drive-in movies in Reed Canal Park, Drive-thru Boo Halloween event, the City's BBQ and Bluegrass Festival in November and the North Pole Spectacular in December. We look forward to seeing you at these beloved events.

Please remember that the annual Night Out Against Crime is on Tuesday, August 1st. The parade comprised of a combination of emergency vehicles alongside our maintenance equipment will begin at 7:00pm. We'll travel through the city neighborhoods. Please turn on your porch lights and look for the parade passing through your neighborhood. Make a sign, wave hello and show your partnership with the City.

Seniors vs Crime

A Special Project of the Florida Attorney General

South Daytona is fortunate to have a Seniors vs. Crime Office on Big Tree Road. Please see below information provided by our local Senior vs. Crime representatives:

Have you been scammed? Have you been taken advantage of?

Seniors versus Crime is a program created to reduce victimization of senior citizens who are often targeted for specific crimes based on their age.

We know there are dishonest people out there who want to try to separate you from your money. We know there are two sides to every story, and we strive to be fair in all cases. There is no problem too large, or too small. Each case is handled on an individual basis, and confidentiality is maintained in accordance with Florida Public Records Laws. If you feel someone has taken advantage of you, or has cheated you out of money or not delivered what they promised, there is something you can do. Please call the Seniors vs. Crime Office and let us help you. We are also able to help any adult who has a civil problem.

How does it work?

If you feel you have been a victim of a scam or unfair business deal, gather all your documentation (i.e. receipts, work orders, contracts, etc.) and bring them to our office so we can review your case.

Because we know seniors may feel embarrassed about being a victim, the offices use the philosophy of "seniors helping seniors." In general, cases are resolved in a short time, but some can become quite lengthy. We are also able to assist all adults, not just seniors.

Please bear in mind that not all cases may be resolved to a senior's satisfaction. There may sometimes be circumstances that prevent us from coming to an amenable solution, but we do strive for compromise whenever possible.

Any case involving a criminal offense is turned over to the proper law enforcement agency for appropriate action.

Tips to protect yourself...

Even if you have recently been taken advantage of, there are steps you can take in the future:

- Always obtain at least three written estimates on any work you are going to have done.
- Check with your local Better Business Bureau or other government agencies before having work done to ensure your contractor is reliable.
- Have a written contract for all work to be performed.
- Make sure that your chosen contractor is licensed and has insurance.
- Never give out bank account or social security numbers, or any personal information, especially over the phone.

South Daytona Community Trust's 18th Annual Blaine O'Neal Memorial Golf Tournament

The Trust's most profitable event, the Blaine O'Neal Memorial Golf Tournament will be held on Saturday, October 21, 2023, at Cypress Head. Proceeds from this event benefit many programs of the Trust that provide financial assistance to residents of South Daytona.

The tournament is named in memory of Blaine O'Neal who served as the Mayor of South Daytona for five years before his sudden passing in 2010. Blaine was a life-long South Daytona resident who had a deep love for the City. He was a strong supporter of the nonprofit South Daytona Community Trust.

In memory of his commitment to the City, we host the 18th Annual Blaine O'Neal Memorial Golf Tournament.

One of the programs that is supported by the Trust is the Community Outreach Assistance Program that aids qualified homeowners in need of residential home repairs. Examples include, a new roof, or air/heat replacement, as well as installation of handicap access. Each year, the Community Trust Scholarship awards \$1,500 to a South Daytona high school student who has worked to better our community through volunteerism.

If you are interest in playing, sponsoring, or donating, please contact the Parks and Recreation Office at (386) 322-3070. Thank you to FPL for being the Presenting Sponsor.

Location, Location, Location. We've all heard that term before. But there is no time that is more important than when you are calling 9-1-1.

If there is a traffic crash, someone is having a heart attack, especially if it is you, the Dispatchers at Central need to know where you are. The Dispatchers are trained to send the Police, Fire/Rescue or an Ambulance to any location in South Daytona.

A lot of people these days see a car crash or some other incident, their first response is to pull out their cell phone and start videoing what's going on. Your first thought should be is to call 9-1-1 and let authorities know what is happening and WHERE. If a person is injured, sometimes it's a matter of minutes between life and death. Don't worry about making a video to share on social media.

And when the Dispatcher answers 9-1-1 tell them "I am at (location)". Then tell them what has happened. Make a call to save a life.
